Cattle Market

October 14, 2019

Market Report is a computer average on cattle. Not a computer High/Low.

The October Fall Round Up Sale was a tremendous success with all Market Ready calves meeting with excellent demand. Several out of state buyers were here wanting to fill their trucks. Calves with no vaccination history a little harder to find a home for. Bred Cows and Pairs met with good demand with a lot of grass and hay in the country. Bred cows with bad udders and long toes not so much. Slaughter Cows and Bulls steady.
