February 11, 2019 - 631 Head

Market Report is a computer average on cattle. Not a computer High/Low.

With weather issues clear across the country we had very good buyer attendance with good orders. Feed lots are struggling with mud and snow. Fat cattle cost of gain is not good right now with feeder cattle struggling with health issues. Good Slaughter Cows & Bulls trending higher on a limited supply.

Steers:

300 to 399 lbs. 187.00-192.00
