April 1, 2019

*Market Report is a computer average on cattle. Not a computer High/Low.*

3 inches of rain makes for a light run. Visited feed lots in Kansas and talked to Owners in Nebraska and Iowa. Most of them have a lot of mud but a lot of feed. They are very positive about this years market. Busy week around here getting ready for the Preview Friday Night and the Registered Sale Saturday.

<b>Steers:</b>	
300 to 399 lbs.	174.00-185.00
