Cattle Market

June 28, 2021 – 1851 head

Market Report is a computer average on cattle. Not a computer High/Low.

Wow!! What a turn out from the buyers and sellers for our 17th Annual BBQ Sale. Outstanding offering of cattle from Our Local Top Producers. Several new buyers on the seats driving the market sharply higher in all categories with the Market Ready cattle being the highest advancement. Cows and Bulls steady. We'd like to Thank Boehringer Ingelheim, QLF and GT Brothers Automotive for their support.
