October 8, 2018 – 1923 Head

Market Report is a computer average on cattle. Not a computer High/Low.

WOW – Our First Annual Fall Round Up Sale was a tremendous success. Producers did an outstanding job with their cattle vaccination and weaning programs. \$5.00 to \$10.00 higher on most classes of calves. Buyers are struggling with non weaned vaccinated calves because of the death loss. Cows still trending lower. No outstanding bulls.

Steers:	
300 to 399 lbs.	178.00-218.00
400 to 499 lbs.	167.00-212.00
